The Military Chaplains Association
Veteran Friendly Congregations
United States of America
Takes Great Pleasure in Recognizing

Saint John's Episcopal Church

Humbly invoking the assistance of Almighty God, the Military Chaplains Association was formed in 1925 and chartered by the 81st Congress of the United States in 1950 to fulfill mandates established by public statute. The Association has integrated the Veteran Friendly Congregation ministry and initiatives under its umbrella seeking to extend this support of veterans across our great nation.

Saint John's Episcopal Church provided visible signs to those visiting that they are sympathetic and understanding of the needs of veterans and their families. Acknowledging this congregation and its leaders for their sincere and earnest efforts to support veterans and their families, we recognize this congregation in that they:

- ✚ Agree and adopt one or more of the Military Ministry Programs
- ✚ Agree to advertise the existence of the Military Ministry Programs in one or more of the congregation's publications (service bulletins, newsletters, etc.), at least twice a month, all year long, so that their existence is easily visible to visitors, members, and leaders of the congregation.

You have chosen to implement programs of ministry which qualify you as a Veteran Friendly Congregation. The purpose of these programs is to keep your members aware of the military and their needs, and to create an atmosphere of acceptance.

With best wishes and prayers for your continued ministry and prosperity, respectfully given this thirteenth day of June in the year Two Thousand and Twenty-Two.
